# Participant Conduct

Club Year: 2011-2012

As our sport grows, we would like to encourage the continued positive direction that volleyball in Alberta has taken. To facilitate this process Alberta Volleyball has developed the following Code of Conduct for athletes, coaches and parents. All participants in the Alberta Volleyball club program including athletes, parents and coaches must sign and abide by the code of conduct.

## ATHLETES

1. I will participate in volleyball alcohol and drug free.
2. I will respect everyone involved in my volleyball experience: parents, coaches, team-mates, officials, and opponents; because without them, there wouldn't be a game.
3. I will never use violence or bad language, nor will I harass players, coaches, officials or other spectators. I will express my disapproval in an appropriate manner to the proper officials or league contacts.
4. I will remember that coaches and officials are there to help me. I will accept their decisions and appreciate the challenges of their position.
5. I will remember that winning isn't everything, and to control my temper when things aren't going my way. Having fun, improving skills, helping my team-mates become better players, and doing my best are more important than winning games.
6. I will respect all the facilities that I use with my team: gymnasiums, schools, restaurants, hotels, and washrooms. I will remember to put all my garbage in the trash bins and not use volleyballs in school hallways and hotel rooms.
7. I will remember to be a true team player, because volleyball is a team sport.

## PARENTS

1. I will attend youth events alcohol and drug free.
2. Remember that children play volleyball for their enjoyment and development, not yours.
3. I will never question an officials/coaches decision or honesty in public.
4. I will never use violence or bad language, nor will I harass players, coaches, officials or other spectators. I will express my disapproval in an appropriate manner to the proper officials or league contacts.
5. I will remember that children learn best by example, and will demonstrate good sportsmanship and applaud all good plays by both my child's team and their opponents.
6. I will take an interest in my child's team by taking turns supervising and assisting at tournaments and team functions.
7. I will have a positive attitude towards volleyball and will emphasize the cooperative nature of the sport.

## COACHES

1. I will participate in volleyball alcohol and drug free.
2. I will ensure that all players receive equal instruction and support. My main objective will be to develop their skills to the best of my ability.
3. I will teach my players to participate fairly in the spirit of good sportsmanship, and to respect the rules, coaches, officials, and opponents.
4. I will never use violence or bad language, nor will I harass players, coaches, officials or other spectators. I will express my disapproval in an appropriate manner to the proper officials or league contacts.
5. I will be open and honest with athletes and parents about my coaching philosophy, particularly regarding playing time and the athlete's role on the team.
6. I will ensure the team is properly supervised at all times for their safety and to ensure they are behaving to the standards set by the team and or association.
7. I will lead by example and demonstrate good sportsmanship and leadership qualities. I will not yell at officials but work cooperatively with them for the benefit of the game.
8. I will be reasonable when setting practices, games and curfews, and will keep the athletes/teams' best interest in mind.
